

**6th edition - November 20 to 27 2010**

**SIEM REAP – CAMBODIA**

For the festival's 2010 program, 110 photographers, including 50 Asian photographers, will present their works photographed around the world. This is consistent with the festival's mission of highlighting emerging Southeast Asian photographers. These works are curated by two well-known figures in photography, Yumi Goto and Antoine d'Agata, as well as by Françoise Callier (Program Director of the Angkor Photo Festival).
