Pedro,

Hi. I love zonezero!!! This is Yvette Doss, editor and co-publisher of frontera magazine, a print music and pop culture magazine.

I just wanted to drop you a line and let you know how much I enjoy viewing/reading/absorbing your publication. If there's any way we can collaborate and help further each other's goals, let me know. I'm in the middle of running a classified ad/online-banner-ad swap campaign. I'm reaching out to publications that might be reaching similar audiences.

Let me know if you'd be interested in something like that, or some other kind of collaboration.

best,

Yvette
