Hi Pedro,

Just got your e mail.....I must say that your emails show a lot of caring and your passion for photography. I love being on your list. Zonezero is my photo vitamins!!!

I am glad that your have Jerry Ulsman...I love his work....Will check your new sites this week. I am planning to finally put my gallery on the web.

Any feedbacks on anyone selling on the web??? Any advise you can give me would be appreciated...

Regards. J.
