Mr. Meyer.

Thank you very much for your personal note and I have often visited zoneero in the past, but never registered. I consider it one of the premier photo sites on the net. Actually, Nubar Alexanian (a close friend and mentor) introduced me to zonezero and I will be looking forward to his book reviews in upcoming "issues." Thanks for creating/inspiring zonezero.

If you don't mind, I will keep you informed of my upcoming photo-related projects/books/exhibits.

Thanks.

Ara.
