dear Zonezero dear Pedro Meyer, please put me on your mailing list so I will be informed about the latest news from Zonezero. I am chief curator of the Nederlands Foto Instituut and the Foto Biënnale Rotterdam (see www.nfi.nl and) and of course I have been regular visitor of your website for a long time (but was never aware of your e-mail service). Your website is very interesting, so I'll be back again soon.

Thanks frits gierstberg.
