Retired Business Owner

Grandmother/Greatgrandmother

Interested in movie making, sounds, photos, video's etc.

Using iMac DV special 13GB Hard drive w/256 MB builtin memory plus a VST firewire 27GB external hard drive.

My husband and I are traveling full time in our RV touring mostly the western states.

So photography and film making is our main interest. Then, converting to QuickTime 4 to share with friends and family on the net or e-mail.
