hello from st thomas us virgin islands excelent site i have spent over an hour there and only
scrached the surface great stuff will be placing a link from my site shortly
<http://huckphotovi.tripod.com> very interested in placing gallery of photos on your site please
register me. keep up yhe good work!!!!!!!!!!

i have been photographing for 35 yrs just moving to digital in last few...

i have wonderful portfolio from costa rica...samples on my page originaly from
carmel,calif...been here 16 yrs thru every hurricane in that time... some photos during the storm
on my site will be back soon...

huck jordan
