To whom it may concern,

Right now I am a photographer living in Los Angeles working as an animator. I graduated from Rhode Island School of Design in 1993 with a BFA in painting. I just recently discovered Zone Zero.

Thank You!

It is an inspiring collection of work, one of the best I have seen on the web. Would you be so kind as to add me to your mailing list.

Again thank you.

Sincerely,

Chris Lentz
