

Date: Tue, 8 Jan 2002 16:06:36 -0800 (PST)

I would be interesting in registering with you so that I might be on your mailing list. I didn't have much time so I had to explore your website quickly, but I liked what I saw. I was initially caught by the fact that it is in both English and Spanish and it was for this reason that I gave it a closer look. I'll definitely be back for more. And again, please register me.
