Dear zonezero,

you have a wonderful site and i would like to register for your bulletin.

i have been a production artist for 20 years in Chicago and have curated coordinated and created work for various venues in Chicago and elsewhere. i have shown at the Ukranian Institute of Modern Art in Chicago; the Cork Gallery, Avery Fisher Hall, Lincoln Center New York; the Raymond Duncan Gallery in Paris and am scheduled to be part of a show Oct.30th at the Guggenheim in New York.

All of my work now is digitally manipulated and all incorporate photography to one degree or another. i would very much like to submit work to you and i will prepare 5 files as you requested within the next week. thank you for a wonderful site.
