Hello,
My name is Talia Vega Leon . I am currently studying in Montréal at Concordia University, however, my country of origin is Peru. I am enrolled in the Double Major in Art History and Film Studies as well as the Minor in Photography. I am pleased to have stumbled upon ZoneZero. I believe it gives artists and photography lovers the opportunity to exchange ideas and be informed. I would like to be part of the mailing list and would like to receive your bulletin in HTML.
Thank you,
Talia.
