

## THE SONY-ZONEZERO GRANT

Every month a full grant is awarded for one of the production workshops offered by the [Pedro Meyer Foundation](#)

at Casa Coyoacan; grant holders will also be able to work with the new equipment

**Sony SLT-A57K**

. Furthermore, their work will be considered for publication in the Sony Corner on ZoneZero.

This announcement is open to photography and/ or art students residents in Mexico and

interested in creative processes centered on images, of any age or nationality. This grant does not cover transportation and expenses

.

- **Main objective**

To support creative processes involving images and encourage the creation of high-quality photographic projects.

- **Selection process**

Fill out the application form at [Apply for the grant](#) a minimum of ten days before the starting date of the workshop. The selection committee will focus on the personal vision of the applicant and his or her ability to propose a project within the theme of the workshop. All candidates will be notified of the final decision five days before the starting date of the workshop.

- **Commitments of the recipient**

The grant holder undertakes to attend the workshop in full, present the project that he or she developed during it and return the **Sony SLT-A57K** equipment in good condition at the end of the workshop.
