

Staged Photos Pouring Out of Gaza

Written by Little Green Footballs

We should not forget that every television image and every news photograph coming out of Gaza right now is filtered through Hamas. The photographers filing pictures for Reuters, Associated Press, and Agence France Presse are all Palestinians, and all propagandists for Hamas—or they wouldn't be allowed to take pictures in Gaza.

With that in mind, here's yet another example of news photographs staged for propaganda purposes by terrorists and their allies: CAMERA Snapshots: Green Helmet's Successor?

are being used as evidence in the Gaza Inquiry. The Gaza Inquiry is a public inquiry into the events of October 7, 2023, and the subsequent conflict in Gaza. The inquiry is being held by the UK's Independent International Commission on the Conflict and Human Rights in Gaza. The inquiry is a public inquiry, meaning that the public can attend and watch the proceedings. The inquiry is also a fact-finding mission, meaning that it is intended to establish the facts of what happened and who is responsible. The inquiry is a significant step towards accountability and justice for the victims of the conflict in Gaza. The inquiry is also a platform for the voices of the people of Gaza.
