

The lingering afterimages of 9/11

Written by Hans Durrer

Review of:

David Friend (2007), *Watching the world change. The stories behind the images of 9/11*. New York: Picador (464 pages; ISBN: 978-0312426767)

The World Trade Center disaster at that fatal date of September 11th, 2001, probably was the most photographed event of our time. A number of those photo's now have been collected in a book by David Friend who added his insightful comments. Hans Durrer reviews and reflects on the results.
