Aerial of train © Shaidul Alam / Dink Pictures Library, 2005

Zone Zero dedicates this space to the catastrophe occurred in Asia. It is intended to show the events through the vision of different photographers to give a real dimension of the tragedy to the people that live far from it.

We will also post advertisements of missing persons or people that are in health care institutions of which no information is available. We invite you to send your messages of support and comments, which will be published as we get them.

Looking for Relatives

HELP FIND THIS GIRL'S FAMILY

She is at the Phuket Hospital. She does not remember anything.

[More info →](#)

This boy is about 2 years old. Found and taken from Khao Lak Resort Area, the southern part of Thailand. His parents are missing.
